

NORTH BELLMORE UNION FREE SCHOOL DISTRICT OFFICE OF THE SUPERINTENDENT OF SCHOOLS

November 2009

Dear Parents/Guardians,

In order to provide parents/guardians with information concerning convicted sex offenders who are living or working within our community we recommend that you register with *Parents for Megan's Law* (PFML), an organization which provides a sex offender alert notification system.

This notification system will e-mail district residents, who have registered, informing them of any new sex offender's presence in Nassau and Suffolk Counties (not just offenders residing within our own school boundaries) and direct them to their website where they can access a full copy of the notification. There is no cost to participate in the PFML program and you may register by using the registration form posted on the homepage and mailing it to the address specified on the form.

If you have any questions regarding this policy, please contact me. If you have any questions regarding this notification system, you may contact the Parents for Megan's Law helpline at 631-689-2672, or visit their website at www.parentsformeganslaw.com.

Sincerely,

Arnold Goldstein
