

SPECIAL EDUCATION: DISTRICT PLAN

A district plan shall be developed and updated every two years describing the Special Education program in the North Bellmore Union Free School District. The district plan shall include the following:

1. a description of the nature and scope of special education programs and services currently available to students residing in the district, including but not limited to descriptions of the districts resource room programs and each special class program by the district in terms of group size composition;
2. identification of the number and age span of students (school age and preschool) to be served by type of disability and recommended setting;
3. the method to be used to evaluate the extent to which objectives of the program have been achieved;
4. a description of the policies and practices of the Board of Education to ensure the allocation of appropriate space within the district for special education programs that meet the needs of students and preschool children with disabilities;
5. the estimated budget to support each plan; and
6. the date on which such plan was adopted by the Board of Education.

The district plan, with personally identifiable student information deleted, shall be filed and available for public inspection and review by the Commissioner.

Adoption date: September 10, 2009
