

STUDENT FUND RAISING ACTIVITIES

It shall be the policy of the district that student fund-raising projects shall meet the following criteria:

1. all fund-raising projects must be appropriate to the age of the children;
2. profits from the student fund-raising must be used for legitimate and school-related activities;
3. all student fund-raising projects must be approved in advance, in writing, by the Superintendent of Schools;
4. children will not participate in fund-raising of a door-to-door nature;
5. fund-raising projects shall be limited to activities that are under the supervision of the professional staff or PTA; and
6. student participation in fund-raising is strictly voluntary.

All fund-raising during school hours shall comply with the Regents Rules.
