

NORTH BELLMORE'S VIRTUAL SPIRIT DAY

North Bellmore's Virtual Spirit Day was last Friday, when everyone in the school district community was invited to dress in his/her school spirit wear or school colors. Then, they were invited to pick ONE WORD to share with our school community to encourage us, to motivate us, to make us think, and to make us smile. As demonstrated by our families, faculty, staff and administration, **WORDS ARE POWERFUL**, click on the link below and enjoy our #ONEWORD Virtual Spirit Day!

NORTH BELLMORE'S VIRTUAL SPIRIT DAY-

TURN BACK TIME

North Bellmore's latest Virtual Spirit Day was last Thursday when everyone in the school district community was invited to take a picture holding a photo of his/her

"younger self". Showing who we are alongside our younger selves is a powerful image that might inspire us to recognize the beauty in our growth and dream who it is we want to become. As demonstrated by our families, faculty, staff and administration, our growth is amazing!
