To the Board of Education of the  
North Bellmore Union Free School District  
North Bellmore, New York:

In planning and performing our audit of the financial statements of the governmental activities, each major fund and fiduciary funds of the North Bellmore Union Free School District (the “District”), as of and for the year ended June 30, 2018, in accordance with auditing standards generally accepted in the United States of America, we considered the District’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District’s internal control. Accordingly, we do not express an opinion on the effectiveness of the District’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization’s financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

During our audit, we did not become aware of any other matters involving the District’s internal control structure that warrant further review and consideration. We thank you and your fine staff for the excellent cooperation we received throughout the course of the audit.

This communication is intended solely for the information and use of the Board of Education and management, and is not intended to be and should not be used by anyone other than these specified parties.
