Business*

Dear Parents/Guardians:

The NYS Education Department has directed us to contact all parents/guardians regarding any children's medications and health equipment that remain in possession of the school during closure. If you need your child's medication/health equipment for use at home during the school closure, please let us know by **completing the survey** via the link below **by Friday, March 20, 2020**.

All requested medication/health equipment should be picked up at Martin Avenue School, 2616 Martin Avenue, Bellmore, NY 11710 on Wednesday, March 25, 2020, between the hours of 9:00 AM-2:00 PM. If you are not available for pick-up, you may designate another adult, (e.g. family member, friend, or neighbor.) If no one is available for medication pick-up on the above day/time, please email Carol Eskew to make alternate arrangements at ceskew@northbellmoreschools.org.

When school reopens, you will need to provide your child's medication and/or health equipment to the school, so that medication administration and/or nursing treatments at school can be resumed.

If you do not need your child's medication/medical equipment at home at this time, it can remain at school for use when school reopens.

Survey Link:

Thank you for your prompt attention to this very important matter.

Sincerely,

Carol Eskew

Deputy Superintendent
