Curriculum & Instruction*

Jacqueline Rehak

*Assistant Superintendent for
Business*

Good Evening North Bellmore Community,

I am writing to share the following safety and security update.

The North Bellmore School District monitors our buildings and grounds daily to ensure that all is safe and sound. In addition, we are enhancing our security measures to include mobile security surveillance services. Today a security guard, in a marked "Summit" van, began patrolling all our buildings and grounds. This will continue from Monday-Sunday, between the hours of 4 P.M. and 12 A.M. during the school closure and will be reassessed when school reopens.

While we are fortunate that we have had minimal issues in North Bellmore, we know that from time to time, especially on weekends, our grounds are used without permission by young adults who should not be on premises. The security guard will ensure that our grounds remain trespass free and secure.

The police, with whom we have an excellent rapport, asked us to remind community members to call the police if they have a concern that requires immediate attention. You may follow-up with an email to your building principal who will contact the District.

Thank you for your continued support in keeping our community safe.

Sincerely,

Marie Testa

Superintendent, North Bellmore School District
